

## CHANGE THE WORLD

**Oh, oh**  
**Change the world to a better place**  
**To where we'd want to come back**

Imagine we could send  
A light speed ship into space  
It would take a thousand years  
To come back to our place

On board would be Captain Kirk  
Who'd be eager to see what went wrong  
A thousand-year mistake  
Can be repaired in just one song

**Oh, oh**  
**Change the world to a better place**  
**Oh, oh, oh, oh**

**Oh, oh**  
**Change the world to a better place**  
**To where we'd want to come back**

**(Ooh, ooh, ooh, ooh, ooh)**  
**Come back**  
**(Ooh, ooh, ooh, ooh, ooh)**

Imagine we would change  
Our kids'd be safe and sound  
It'd take everything in us  
To turn it all around

Sometimes the hardest way  
Is the only one out  
Trees ain't growing overnight  
But we can plant some new ones now

**Oh, oh**  
**Change the world to a better place**  
**Oh, oh, oh, oh**

**Oh, oh**  
**Change the world to a better place**  
**To where we'd want to come back**

**(Ooh, ooh, ooh, ooh, ooh)**  
**Come back**  
**(Ooh, ooh, ooh, ooh, ooh)**

In a thousand years  
We might be gone  
But there's still a little hope

Life's a gift  
Earth's a friend  
Then why do we hurt it so  
Oh, oh

**Oh, oh**  
**Change the world to a better place**  
**Oh, oh, oh, oh**

**Oh, oh**  
**Change the world to a better place**  
**To where we'd want to come back**

**(Ooh, ooh, ooh, ooh, ooh)**  
**Come back**  
**(Ooh, ooh, ooh, ooh, ooh)**  
**To come back**  
**(Ooh, ooh, ooh, ooh, ooh)**  
**Come back**  
**(Ooh, ooh, ooh, ooh, ooh)**
