

HALLELUJAH

Happy people
Mute the DJ
Hear 'em singing
Our song
(Hey)

Caught a bad man
Stopped a fist fight
We are no-names
But saved a child
(Hey)

Old towns, new views
We all share the same sky

(Yeah)

Hallelujah, Hallelujah
(Hey)
Hallelujah
We're the kings 'n queens tonight
(Hey)
Hallelujah, Hallelujah
(Hey)
Hallelujah
Becoming friends overnight
(Hey)

Slept on highways
Cancelled ferries
How did we make it
To Whelan's pub

(Yeah)

Red light jumpers
Driving till dawn
Back to London
Petrol's gone

(Aaw)

Prestigious places
Big names on their walls

(Hey)
Hallelujah, Hallelujah
(Hey)
Hallelujah
We're the kings 'n queens tonight
(Hey)
Hallelujah, Hallelujah
(Hey)
Hallelujah
Becoming friends overnight
(Hey)
(Hallelujah, Hallelujah
(Hey)
Hallelujah)
Becoming friends overnight
(Hey)

(Aaah)
Same smile
On different faces
All sorts
Of strange accents

Tonight Joiners
Tomorrow Scottish green
(Hey)

Hallelujah, Hallelujah
(Hey)
Hallelujah
Kings 'n queens tonight
(Hey)
Hallelujah, Hallelujah
(Hey)
Hallelujah
Becoming friends overnight

Hallelujah
(Tonight)
Hallelujah, Hallelujah
We're the kings 'n queens tonight
Hallelujah (Hallelujah), Hallelujah
Kings 'n queens tonight
Hallelujah (Hallelujah), Hallelujah
We're the kings 'n queens tonight
