

## HAPPY

I am a true believer  
Of happiness and dreams  
Way high up in the sky  
Is where I wanna be (and)

I am a true receiver  
Of devotion and love  
Way above the clouds  
Is where I will wake up

Whatever money can buy you  
I bet I don't need this stuff  
And I just think to myself  
You should feel the same  
You gotta wake up

**Oh,  
Just be happy  
Oh,  
Just be happy  
Oh,  
Just be happy  
Oh,  
Just be happy  
Oh,  
Just be happy**

**Oh,  
Just be happy  
Oh,  
Just be happy  
Oh,  
Just be happy  
Oh,  
Yeah, yeah, oh**

### **Be happy**

You can be a better lover  
When it's an endless flow  
What moves can be held, too  
So hold on to love

You can be a bigger dreamer  
Imagine life is gold  
Life's a one-way ticket, love  
It's more than enough

Whatever money can buy you  
I bet I don't need this stuff  
And I just think to myself  
You should feel the same  
You gotta wake up

**Oh,  
Just be happy  
Oh,  
Just be happy  
Oh,  
Just be happy  
Oh,  
Just be happy**

**Oh,  
Just be happy  
Oh,  
Just be happy  
Oh,  
Just be happy  
Oh**

**Oh, oh, oh, oh, oh**

**Ooh, ooh, ooh, ooh, ooh  
Oh, just be happy**

**Ooh, ooh, ooh, ooh, ooh  
Oh, just be happy**

**Ooh, ooh, ooh, ooh, ooh  
Oh, just be happy**

**Ooh, ooh, ooh, ooh, ooh  
Just be happy**

**Hmmm,  
Just be happy**
